

# ARMORY ANCIENT AND HONORABLE ARTILLERY COMPANY.

---

BOSTON, Jan. 30, 1885.

Members of the Ancient and Honorable Artillery Company are hereby notified that business and drill meetings of the Company will be held at the Armory, Faneuil Hall, on Monday evenings, Feb. 2, 9, and 16, at 7:30 o'clock, and drill meetings on Wednesday evenings, Feb. 4, 11, and 18, at 8 o'clock, at which the commander earnestly desires the presence of every member who intends to join in the excursion to Washington.

The clerk will be in attendance at the Armory on Monday, Tuesday, Wednesday and Thursday, Feb. 2, 3, 4 and 5, from 5 to 8 o'clock, P. M., and members who have signified their intention of joining in the Washington excursion are requested to call for their tickets. The clerk will also be present on Monday and Wednesday meeting and drill evenings, from 5 to 8 o'clock, for the purpose of supplying tickets to subscribers. Tickets will not be sold on the railroad cars.

As the committee are required, by their agreement with the hotel, to notify at least ten days before the arrival of the Company of the number to be provided for, it is important that every member intending to join in the excursion should give notice to the clerk before the 8th of February. This is also important, that proper accommodation in the way of state-rooms may be secured.

The attention of members who are not provided with *military overcoats*, a garment indispensable to the Washington excursion, is called to the overcoat adopted by the Company, and which will be cut to measure by John Phillips & Co., 27 and 29 Court Street, at *sixteen dollars* each, if measures are left at once.

## ARMORY ANCIENT AND HONORABLE ARTILLERY COMPANY OF MASSACHUSETTS.

BOSTON, February 2, 1885.

Members of the Ancient and Honorable Artillery Company intending to join in the celebration incident to the completion of the Washington Monument are hereby notified to assemble at the Armory, on Thursday, the 19th inst., at 4 o'clock P. M., in uniform with *overcoats*. The line will be formed promptly at 4.30 o'clock, and the cars will be taken at the Old Colony Station at 6 o'clock, and members will be provided with transportation, state-room berths, meals, and hotel accommodations during the trip (no wines or cigars).

It is incumbent on every one participating in this excursion to be jealous of the honor of the Company, and to see that no behavior unbecoming a soldier and a gentleman is countenanced or allowed by him.

The Company, by its recorded vote, have determined that *all members joining in this excursion shall appear in uniform*.

The honorary and non-commissioned staff will report to Major Charles W. Stevens, chief of staff, in the library room.

The following details have been made:—

Officer of the Day, Thursday, Feb. 19, Lieut. Edward B. Blasland.

Officer of the Day, Friday, Feb. 20, Lieut. George H. Gibson.

The Company will return to Boston, leaving Washington on Monday morning the 23d inst.

**TICKETS.** The tickets for the excursion will be prepared in book form.

Each member will receive state-room tickets bearing the number of the state-room (room-mates holding duplicate numbers), and also the number of the ticket issued by the clerk. The even number on the ticket indicating its issue will be alone entitled to draw the key to the state-room going, and the odd number ticket will alone be entitled to draw the state-room key returning. The *key tickets* will be marked in red ink.

If members will carefully read the above and the tickets as prepared, and be ready to use them promptly when called for in the proper order, they will save themselves much inconvenience.

**CLOTHING.** Members of the Company are expected to appear at all times during the excursion in Military Uniform, and none will be allowed to appear in line except in full dress or with *Military Overcoats*.

As at this season of the year it may be stormy, each member should provide himself with an extra pair of boots, pants, white gloves, and such extra under-clothing as may be necessary for a change.

Members of the Company should provide themselves with Military Fatigue Caps.

Every member of the Company should be prepared to appear in *full uniform*, if required, during the stay in Washington.

**BAGGAGE.** Members are requested to have all articles of baggage packed as compactly as possible, and take as little with them as is compatible with comfort and safety.

No person will be allowed more than one package of baggage.

Baggage will be received at the baggage-room, Faneuil Hall (up one flight), on Thursday, Feb. 19, at 12 o'clock, and not after 4.30 P. M., and checks given therefor.

All baggage will be checked through to Washington, and none will be delivered except on arrival at the hotel in Washington.

No transportation of baggage, other than herein indicated, will be provided.

No provision will be made for transportation of overcoats.

**BAGGAGE RETURNING** must be sent down from the rooms to the rotunda of the hotel before 8 o'clock A. M., on Monday the 23d inst., and properly checked to insure safe return of the same.

**ARMS.** As each member is personally responsible for the arms and equipments in his charge, attention should be paid to the number on the same, and he should see that they are retained in his possession, and returned to the Armory on the close of the excursion. Every member should provide himself with a small piece of chamois-skin, which he should have with him at all times, for the purpose of keeping his arms and equipments in good order.

**HOTEL EXTRAS.** Each member ordering extras must settle before leaving the hotel, as the Company make no provision for payment of such bills.

**GENERAL ORDERS** will be posted on the Company Bulletin in the main saloon of the steamer and in the rotunda of the hotel.

## SPECIAL.

At the final meeting of the "Washington Committee," held March 2, 1885, a suggestion was made by one of the committee, that, in view of the success attending the recent visit of the corps to Washington, it would be eminently proper for those who subscribed to go, and did go, or pay, to meet at some future time, and celebrate the occasion. After full and free discussion, it was unanimously agreed that the committee invite those of the party who desire, to enroll themselves under the name of

Gentlemen *accepting* invitations to parade on the staff of the Commander will report to Col. Edward Wyman, Chief of Staff, in the library-room at 9 o'clock.

To afford time for all the services of the day, *early and prompt* movements are necessary.

The Company will leave the Armory at 9.15 o'clock precisely, receive the Governor and invited guests at the State House, attend the exercises at the New Old South Church, sermon by Prof. William Lawrence, of Harvard College, march to Faneuil Hall, partake of the Dinner provided by James Dooling, caterer, and leave at 4 o'clock P. M. for the Common, where the Governor will take his chair at 5 o'clock.

A photographic picture of the Company will be made early on the morning of the celebration by the same artist who made the eminently successful picture in Washington, and the Commander desires a prompt attention of all members of the Company.

An opportunity, which it is hoped a large portion of the Company will avail themselves of, as it will greatly assist the Committee in making their arrangements, is offered by the clerk being at the Armory on Friday and Saturday afternoons, from 2.30 to 5 o'clock P. M., prior to the Anniversary, for the purpose of receiving the assessments of members, which have been fixed at TEN DOLLARS, payable by all members of the Company.

Members will be furnished with a ticket to the Annual Dinner; six tickets to the church, admitting one person each; and twelve tickets to the Parade Ground, admitting a gentleman and ladies; and will consult their own comfort and the interests of the Company by procuring them in advance of the day of Parade.

By command of

CAPT. AUGUSTUS WHITTEMORE.

GEO. H. ALLEN,

*Lieut. and Clerk.*

The attention of the members of the Company is called to the following circular issued to the members:—

BOSTON, April 10, 1884.

Members of the ANCIENT AND HONORABLE ARTILLERY COMPANY are hereby notified that arrangements have been made with J. W. Black & Co., the celebrated artists, 333 Washington Street, in this city, for sittings for a Photograph Album of all members of the Company.

The member sitting will be entitled, without expense, to receive two Cabinet Sized Pictures for his personal use. The needed Pictures for the Album, mounted on heavy card, 10 x 12 inches, ready for binding, and upon which members are requested to affix their autograph, and place and date of birth, will be furnished the Company free by Black & Co. Any additional Pictures, which members may desire to order, will be furnished them at the very moderate price of \$2.50 per half dozen, or \$4 00 per dozen.

This is a work which will be of great interest and value in the future, and it is hoped that members will give early attention to the subject. The very liberal opportunity presented by our comrade, Mr. Black, of obtaining a Collection of Pictures for the Armory, should stimulate every member to the exertion of contributing toward the completion of the work by an early sitting, which may be in military uniform or citizen's dress, the former being preferred.

READING OF SCRIPTURES.

HYMN.

BY THOMAS POWER.

(Written for the occasion, and sung on the Anniversary of the Company, June 4, 1838.)

While low before our altars now,  
With grateful hearts, we humbly bow,  
No hostile thought, nor warlike sound,  
Shall, on our festal day, be found.

Our fathers—rest the honored dead!—  
A halo round their country shed,  
And patriot thoughts and deeds of fame,  
Achieved a proud and deathless name.

In coming time when years are known,  
Like seasons past and centuries gone,  
Then gathered be our ancient band,  
And blest and free our native land!

Should angry foes, in hostile train,  
Invade our peaceful shores again,  
Let valor nerve each patriot arm,  
To guard our shores from threatening harm.

For God, and for our homes, we bear  
The dearest hopes that time can share;  
That truth and valor here may trace  
The worth of Freedom's resting place.

PRAYER.

DUET—"O Lovely Peace" (Judas Maccabeus) . . . . . Handel

Sung by Mrs. RICHARDSON and Miss LORD.

SERMON.

Prof. WILLIAM LAWRENCE, of Cambridge.

HAIL! COLUMBIA!

Solo sung by Mrs. F. P. WHITNEY.

Hail! Columbia, happy land!  
Hail! ye heroes, heaven-born band!  
Who fought and bled in freedom's cause,  
Who fought and bled in freedom's cause,  
And when the storm of war was gone,  
Enjoyed the peace your valor won;  
Let independence be your boast,  
Ever mindful what it cost,  
Ever grateful for the prize,  
Let its altar reach the skies.

CHORUS.

Firm, united, let us be,  
Rallying round our liberty,  
As a band of brothers joined,  
Peace and safety we shall find.

Immortal Patriots! rise once more!  
Defend your rights, defend your shore;  
Let no rude foe, with impious hand,  
Let no rude foe, with impious hand,  
Invade the shrine where sacred lies,  
Of toil and blood the well-earned prize;  
While offering peace sincere and just,  
In Heav'n we place a manly trust,  
That truth and justice may prevail,  
And every scheme of bondage fail!

CHORUS.

Firm, united, let us be,  
Rallying round our liberty,  
As a band of brothers joined,  
Peace and safety we shall find.

Sound, sound the trump of fame!  
Let Washington's great name  
Ring through the world with loud applause!  
Ring through the world with loud applause!  
Let ev'ry clime to freedom dear,  
Listen with a joyful ear:  
With equal skill, with steady power,  
He governs in the fearful hour  
Of horrid war, or guides with ease,  
The happier time of honest peace.

CHORUS

Firm, united, let us be,  
Rallying round our liberty,  
As a band of brothers joined,  
Peace and safety we shall find.

(The following additional stanza has been written for this occasion by  
MINOT J. SAVAGE.)

O hail, thou mighty, modest man,  
Birth of our soil, American,  
Who crushed rebellion 'neath thy heel!  
Who crushed rebellion 'neath thy heel!  
He gave us back a nation grand,  
One common, free, united land!  
To-day he fights the last great foe!  
While he's still with us, let him know  
The people that his sword made free,  
Shout GRANT, COLUMBIA, LIBERTY!

CHORUS.

We, like him, if we must fight,  
Fight for only peace and right!  
North and South henceforth we'll be  
Brothers true and brothers free!

The attention of the members of the Company is called to the following circular issued to the members:—

BOSTON, April 10, 1884.

Members of the ANCIENT AND HONORABLE ARTILLERY COMPANY are hereby notified that arrangements have been made with J. W. Black & Co., the celebrated artists, 333 Washington Street, in this city, for sittings for a Photograph Album of all members of the Company.

The member sitting will be entitled, without expense, to receive two Cabinet-Sized Pictures for his personal use. The needed Pictures for the Album, mounted on heavy card, 10 x 12 inches, ready for binding, and upon which members are requested to affix their autograph, and place and date of birth, will be furnished the Company free by Black & Co. Any additional Pictures, which members may desire to order, will be furnished them at the very moderate price of \$2.50 per half-dozen, or \$4.00 per dozen.

This is a work which will be of great interest and value in the future, and it is hoped that members will give early attention to the subject. The very liberal opportunity presented by our comrade, Mr. Black, of obtaining a Collection of Pictures for the Armory, should stimulate every member to the exertion of contributing toward the completion of the work by an early sitting, which may be in military uniform or citizen's dress, the former being preferred.

## IMPORTANT!

The attention of the members of the Company is called to the following circular issued to the members:—

BOSTON, April 10, 1884.

Members of the ANCIENT AND HONORABLE ARTILLERY COMPANY are hereby notified that arrangements have been made with J. W. Black & Co., the celebrated artists, 333 Washington Street, in this city, for sittings for a Photograph Album of all members of the Company.

The member sitting will be entitled, without expense, to receive two Cabinet Sized Pictures for his personal use. The needed Pictures for the Album, mounted on heavy card, 10 x 12 inches, ready for binding, and upon which members are requested to affix their autograph and place and date of birth, will be furnished the Company free by Black & Co. Any additional Pictures which members may desire to order will be furnished them at the very moderate price of \$2.50 per half dozen, or \$4.00 per dozen.

This is a work which will be of great interest and value in the future, and it is hoped that members will give early attention to the subject. The very liberal opportunity presented by our comrade, Mr. Black, of obtaining a Collection of Pictures for the Armory, should stimulate every member to the exertion of contributing toward the completion of the work by an early sitting, which may be in military uniform or citizen's dress, the former being preferred.

PEACE.

O blessed Peace, may thy increase  
The nations still be telling,  
While round the world the flag is furled  
Above each happy dwelling!  
The sword no more drip red with gore,  
No more the cannon thunder;  
All peoples be erect and free  
And glad the wide sky under!

CHORUS.

War's ensign floats red o'er the past,  
Swaying the storm of the fight;  
But, brighter days breaking at last,  
Swing out our banner of white!

But should the hour of treason's power  
Again strike freedom's warning,  
Quick volunteers, with ringing cheers,  
We'd flock, all safely scorning!  
From near and far the loud hurrah  
War's dreadful sleep should waken  
For on his track he turns not back  
Who once right's sword has taken!

CHORUS.

Wide flinging the flag of the free,  
Fighting for truth and the right,  
War's banner of red then should be  
Symbol of duty and light!

PRAYER.

But when we fight, 'tis for the right,  
So shall be told our story:  
We count it shame to kill for fame,  
For triumph, or for glory!  
For human need we'll freely bleed,  
The star of peace before us;  
To lift the low we'll face the foe  
With war's red banner o'er us!

CHORUS.

So, flinging our flag on the air,  
Hot with the cannon's fierce breath,  
Whatever men dare we will dare—  
Facing the onset of death!

Still, far ahead, o'er fields of red,  
Through loss we dare not reckon,  
A lovely form, above the storm,  
We see Peace stand and beckon;  
We see the day, when far away,  
Shall hate be and oppression;  
For this we fight, to make the right  
The wide world's glad possession!

CHORUS.

War's ensign floats red down the past,  
Swaying the storm of the fight;  
But, brighter days breaking at last,  
Swing out our banner of white!

Rev. OLIVER A. ROBERTS.

The American Song.

Music composed by VINCENZO CIRILLO.

Solos sung by Mrs. L. F. C. RICHARDSON and Mr. CHAS. R. ADAMS.

What song shall America sing,  
Young heir of the elder world,  
Whose knee ne'er bent to a tyrant king,  
Whose banner defeat ne'er furled?  
A song for the brave and the free!  
No echo of ancient rhyme;  
But a shout of hope for the day to be,  
The light of the coming time!

CHORUS.

A song for the brave and the free!  
No echo of ancient rhyme;  
But a shout of hope for the day to be,  
The light of the coming time!

From the dark low lands of the past,  
Swelling loud o'er the victim's cries,  
The hero's shout sweeps up the blast  
Where wounded freedom dies.  
The drum's dull beat and the trumpet's blare,  
From the far off years are heard;  
But the paean of kings is man's despair,  
And the hope of the world deferred.

CHORUS.

The drum's dull beat and the trumpet's blare,  
From the far off years are heard;  
But the paean of kings is man's despair,  
And the hope of the world deferred.

'T is the song of the free we sing!  
Of a good time not yet born,  
Where each man of himself is king;  
Of a day whose glad some morn  
Shall see the earth beneath our feet  
And a fair sky overhead;  
When those now sad shall find life sweet,  
And none shall hunger for bread.

CHORUS.

Shall see the earth beneath our feet  
And a fair sky overhead;  
When those now sad shall find life sweet,  
And none shall hunger for bread.

Sing then our American song!  
'T is no boast of triumphs won  
At the price of another's wrong,  
Or of foul deeds foully done.  
We fight for the wide world's right,  
To enlarge life's scope and plan,  
To flood the earth with hope and light,  
To build the Kingdom of Man.

CHORUS.

We fight for the wide world's right,  
To enlarge life's scope and plan,  
To flood the earth with hope and light,  
To build the Kingdom of Man.

ARMORY A. & H. A. Co.,

Boston, September 28th, 1886.

Members of the Ancient and Honorable Artillery Company are hereby notified that a special meeting will be held at the Armory, Faneuil Hall, on Friday, October 1st, at 7 o'clock, for the purpose of hearing and acting upon the report of the Canvassing Committee.

Drill Meeting at 7.30.

THOS. F. TEMPLE,

*Captain.*

GEO. H. ALLEN,

*Clerk A. & H. A. Co.*

ARMORY A. & H. A. Co.,  
BOSTON, September 28th, 1886.

Members of the Ancient and Honorable Artillery Company are hereby notified to assemble at the Armory, Faneuil Hall, on Monday, October 4th, at 7 o'clock A. M., for the purpose of celebrating the Fall Field Day. The line will be formed promptly at 8 o'clock, and the Company will proceed to the Lowell Depot, where a special train will be taken at *ten minutes before 9 o'clock* for the White Mountains. *Dinner* will be provided at the *Pemigewasset House, Plymouth*, at about 1 o'clock, and after a short stop, the Company will proceed to the Fabyan House, where they will be due at about 4 o'clock. Here a *Banquet* will be served in the evening. Lodging, breakfast and dinner will be provided on Tuesday. During the forenoon of Tuesday, such of the Company as desire will be taken, without extra charge, on observation cars through the Crawford Notch to Bartlett's, and return in season for dinner.

The Company will leave Fabyan's, on return to Boston, at 2.30 P. M., and will be provided with a substantial lunch at the Pemigewasset House, and will be due in this city at about 8.30 P. M.

The Committee of Arrangements are making every exertion possible for the comfort and enjoyment of the members, and it is believed that all that remains to insure one of the most enjoyable of Fall Field Day celebrations is the hearty co-operation of the members of the Company.

With this in view, the Committee desire members of the Company *who intend to join in this excursion, to place their name on the enclosed card, and if intending to take ladies to so state, and post it at once.*

This will enable the committee to give to the proprietors of the hotel, which we are to visit, an opportunity of approximating the number for which they are to provide, — a most important consideration, as the hotel is to be opened especially for our accommodation, and all supplies must be obtained from Boston, and ordered not later than Friday, October 1st.

The Committee also desire that members intending to join in the celebration shall secure their tickets from the Clerk as soon as they are ready, which will be on Thursday, September 30.

**TICKETS.** The Clerk will be at his office, Faneuil Hall, on Thursday, September 30; Friday and Saturday, October 1st and 2d, from 2 to 5 o'clock, and on Friday, from 6 o'clock until the close of the meeting, for the purpose of supplying members with tickets.

The assessment has been fixed at *nine dollars*.

Ladies' tickets will be furnished to members at *thirteen dollars*, — the name of the lady being required in each case. These will entitle the holder to transportation, meals and lodging, as provided for members of the Company.

It will greatly expedite the work of assigning rooms at the hotel if members desiring to room together purchase their tickets together, and announce the party with whom they desire to be assigned room.

**BAGGAGE.** As but little baggage will be required, members are requested to pack compactly as possible, and forward the same to the Armory, on Saturday, October 1st, from 2 to 5 o'clock P. M., or on Monday, October 4th, before 8 o'clock A. M., taking checks from the Quartermaster therefor. The baggage will not be accessible until after the Company arrive at Fabyan's.

**PARLOR CARS.** The railroad company will, if desired, place one or more parlor cars upon the trains. Seats in these cars can be secured at *two dollars* each for the round trip, on application at the office of the Lowell Railroad, 218 Washington Street, before 6 o'clock P. M., on Saturday, October 2d, and *presenting the Company ticket, as a voucher that the person making application is entitled to go upon the Excursion.*

**MOUNT WASHINGTON.** Should the weather prove fine on Tuesday, the 2nd of October, and a sufficient number of members desire to visit Mount Washington, instead of making the trip to Bartlett's, Lieut. Dow, of the Committee, will arrange with the Railroad Company at a small extra charge.

BOSTON, February 8, 1887.

MY DEAR SIR:

The great success attending the Reunion and Dinner of the Committee of Arrangements, Officers and Members participating in and subscribing to the excursion of the Ancient and Honorable Artillery Company of Massachusetts, on occasion of the visit to Washington, February 19-24, 1885, which was held at Young's Hotel on the 22d of February, 1886, and to which invitations were extended to all Members of the Company who desired, to be present, warrants the attempt to again celebrate the Anniversary of the Birthday of the immortal Washington, and a renewal of acquaintance and friendships formed on that memorable excursion on the completion of the Monument to the Father of our Country.

The undersigned, who were the Committee on the excursion, and who also arranged for the dinner in 1886, extend to every member of the Ancient and Honorable Artillery Company an invitation to join with them in a *Dinner at Young's Hotel on Tuesday*, the 22d inst., at 2 o'clock P. M. (the reception to be at 1.30 o'clock).

The tickets, \$5.00, to include wine.

As no second notice will be issued for this gathering, gentlemen are requested to respond at once if they will be present or *can be relied upon for the price of a ticket.*

An immediate response is necessary, that a proper room may be secured, and arrangements made for the satisfaction and gratification of those intending to be present.

Ample provision will be made for those who give notice, but the Committee will not guarantee to the Hotel beyond that; neither is it reasonable to expect the keeper of the Hotel to lay table and provide beyond what are expected to be present.

Please send notice to Geo. H. Allen, P. O. Box 1548, Boston. If check or money is sent, a ticket will be returned by mail.

We feel that this dinner may be made a success, if each member will make an effort for that purpose.

Dear Capt. Walker.

I could not be with you  
yesterday. What did  
you do?

16 Nov.

A. A. Tolson

In 1887 I brought before the Company a motion  
to have monthly dinners. This was littlely opposed by many  
of those who liked the "status quo" of things. After a long con-  
sultation I carried the motion in a modified form. Thus began  
the "smoking concerts" which have since been so numerous  
and very greatly enjoyed. Henry Walker

Dear Col,

Fully appreciating your efforts to  
arrange monthly dinners for the A. H. C. C.,  
and also the unexpected obstacles which  
have proved so disastrous to their success,  
and further to assure you that I am  
not opposed to them, or to your wishes  
individually, I suggest one more trial  
on this plan, ask the Commissioner Officers  
to join in a call for a dinner, then let our  
names appear as the Committee of 1885,  
and when the dinner takes place, state to the  
company present the situation of this  
Committee (outlawed as I claim) and if  
they desire further service by us, or another  
Committee, accept it, prompt action will  
secure a meeting this month.

Solo by Mrs. L. F. C. RICHARDSON.

Blow the early blast! Beat the reveillé!  
Greet with great joy this welcome natal day!  
Waken the legion! Form the vet'ran lines!  
Bring back the memory of ancient times!

Let all the Ancients' corps with gladness come  
To service where the fathers blessing won;  
With minds subdued by love, with rev'rent bow,  
Let every heart retake this loyal vow:—

The State,—built by our fathers, brave and strong,  
Beneath whose aegis now the millions throng,  
Chief among States, and earnest for the right,  
We pledge to her love, loyalty and might.

The School,—rich legacy from fathers wise,  
Bulwark of freedom! freemen's boon! we prize  
This precious blessing, free as vital air,  
And pledge to it our effort, strength and care.

The Church,—our fathers builded first for God.  
Their shrine, with firm-set walls, foundation broad,  
Still stands, friend of all good and foe of wrong.  
To it we pledge devotion, true and strong.

Our fathers' God! Thou didst their way attend,  
Inspire their zeal, their homes and lives defend!  
Be thou our God! Guide us in earth's best way,  
And bring us all to Thee in endless day.

ARMY HYMN.

Words by Dr. O. W. HOLMES.

Music by GEORGE PEABODY, Esq.

O Lord of Hosts! Almighty King!  
Behold the sacrifice we bring!  
To every arm Thy strength impart,  
Thy Spirit shed through every heart!  
Wake in our breasts the living fires,  
The holy faith that warmed our sires.  
Thy hand hath made our nation free,  
To die for her, is serving Thee.

God of all nations! Sovereign Lord!  
In Thy dread name we draw the sword!  
We lift the starry flag on high,  
That fills with light our stormy sky.  
From treason's rent, from murder's stain,  
Guard Thou its folds, till Peace shall reign.  
Till fort and field, till shore and sea,  
Join our loud anthem, praise to Thee!  
Amen! Amen!
